Why SRM IST Faculty of Science & Humanities?

Best place to learn in Chennai

SRM IST – Science and Humanities at Ramapuram Campus offers a dynamic academic environment rooted in excellence and innovation. As part of one of India's leading multidisciplinary institutions, students benefit from experienced faculty, structured mentorship, and outcome-based education. Learning beyond the textbooks through seminars, projects, presentations, and practical exposure, helping students build strong conceptual clarity and confidence for future pursuits.

Pioneering Change

At SRM IST, education is designed to respond to evolving societal and industry needs. The School of Science and Humanities nurtures analytical thinkers, researchers, and problem solvers. Through interdisciplinary learning, research initiatives, and academic collaborations, students engage with contemporary issues and emerging knowledge domains. The curriculum encourages curiosity, critical inquiry, and innovation, empowering students to contribute meaningfully to change.

World-class Facilities

The Ramapuram Campus provides modern infrastructure that supports holistic learning. Well-equipped laboratories, smart classrooms, computing facilities, and an extensive library create a strong academic foundation. Digital learning resources and collaborative spaces enhance student engagement. The campus environment is structured to promote academic focus, research exploration, and personal development.

Industry Relevant

Programs are aligned with current industry standards and future workforce demands. Students gain exposure through internships, industrial visits, workshops, guest lectures, and value-added certification courses. Skill development initiatives in communication, analytical ability, and technical competencies ensure graduates are prepared to transition confidently into professional environments.

Proven graduate outcomes

SRM IST graduates are known for their academic competence and professional readiness. The institution emphasizes career development through training programs, placement support, and higher education guidance. Students are prepared for opportunities in corporate sectors, research institutions, entrepreneurship, and advanced studies in India and abroad. The focus remains on equipping every graduate with knowledge, skills, and adaptability for long-term success.

Digitally enhanced Learning

The campus integrates technology with teaching to create a flexible and engaging academic experience. Smart classrooms, digital learning platforms, online resources, and blended learning models ensure accessibility and continuity. Students benefit from structured academic support systems that enhance understanding, collaboration, and independent learning.

Message from Chairman

We are confident that success and achievements of the institution should synergize in an environment of mutual acceptance, support, goodwill and teamwork

"Education is the most powerful weapon which can be used to change the world." Inspired by this conviction, SRM Institute of Science and Technology is devoted to delivering transformative education that harmoniously blends academic excellence with enduring human values. We aspire to shape intellectually capable, socially conscious, and ethically grounded individuals.

Our dynamic academic ecosystem nurtures curiosity, creativity, critical inquiry, and principled leadership through a rigorous curriculum, contemporary infrastructure, and enriching co-curricular experiences. Sustained faculty development and progressive pedagogical practices ensure education aligned with global benchmarks. Beyond professional preparation, we cultivate in our students a deep respect for cultural heritage, self-discipline, and integrity. At SRMIST, education transcends career readiness; it forms the foundation of character, citizenship, and lifelong learning, empowering students to emerge as visionary leaders who contribute meaningfully to society and to the creation of a more just, inclusive, and compassionate world.

Dr. R. Shivakumar
Chairman
SRM Ramapuram & Trichy Campuses

Message from Co-Chairman

It is only our dedication towards our passion that distinguishes a champion from the ground

With over five decades of excellence in higher education, SRM Institute of Science and Technology has carved a distinct niche through its unwavering commitment to quality and innovation. Guided by its motto, "Knowledge is Power," the institution believes that learning must be continuous, relevant, and adaptive to prepare students for the future. In response to the rapidly digitizing world, SRMIST actively promotes digital literacy among both faculty and students. Equal emphasis is placed on life skills such as communication, problem-solving, creativity, critical thinking, and emotional and intercultural competence through structured programmes and year-round activities. Faculty members, the pillars of the institution, undergo regular professional development to stay aligned with advancements in education. Parent orientation programmes further strengthen the academic partnership.

Mr. S. Niranjan
Co-Chairman
SRM Ramapuram & Trichy Campuses

Message from Dean

laboratories, and innovative learning spaces, we provide a transformative educational experience that blends academic excellence with hands-on learning and mentorship, preparing students for meaningful careers and lifelong learning.

Dr. Thirumagan
Dean, FSH, Ramapuram

As the Dean of the Faculty of Science and Humanities at SRM Institute of Science and Technology, I am pleased to welcome you to a dynamic, learner-centered academic community. The faculty is committed to delivering a rigorous and holistic education that nurtures intellectual growth, professional competence, and social responsibility.

With a strong focus on research, innovation, and community engagement, we offer a diverse range of undergraduate and postgraduate programmes that empower students to become critical thinkers and compassionate global citizens. Our accomplished faculty and impactful research initiatives address contemporary challenges in sustainability, social justice, and human development.

Department of Computer Science & Applications

The Department of Computer Science, established in 2015 under the Faculty of Science and Humanities, is committed to academic excellence and the holistic development of future-ready computing professionals. The Department strives to nurture self-motivated, globally competent graduates who are equipped to contribute meaningfully to national development and societal progress. This vision is realized through the collective efforts of a team of highly qualified, experienced, and dedicated faculty members who are deeply engaged in teaching, research, and innovation. The department places strong emphasis on building a solid foundation in core computing concepts while simultaneously exposing students to contemporary and emerging technologies. Through a curriculum that integrates innovation, design thinking, and industry-aligned practices, the Department has consistently produced competent and skilled IT professionals capable of addressing the evolving challenges of the technology-driven world.

Programmes Offered

Under Graduate

- ▶ **BCA (Hons) General**
- ▶ **B.Sc. (Hons) Computer Science**
- ▶ **B.Sc. (Hons) Computer Science with Specialization in Cyber Security**
- ▶ **B.Sc. (Hons) AI & ML**
- ▶ **BCA (Hons) Data Science**
- ▶ **BCA (Hons) Generative AI**

Post Graduate

- ▶ **M.C.A. Master of Computer Applications**
- ▶ **M.C.A. Generative AI**
- ▶ **M.Sc. Applied Data Science**

Research

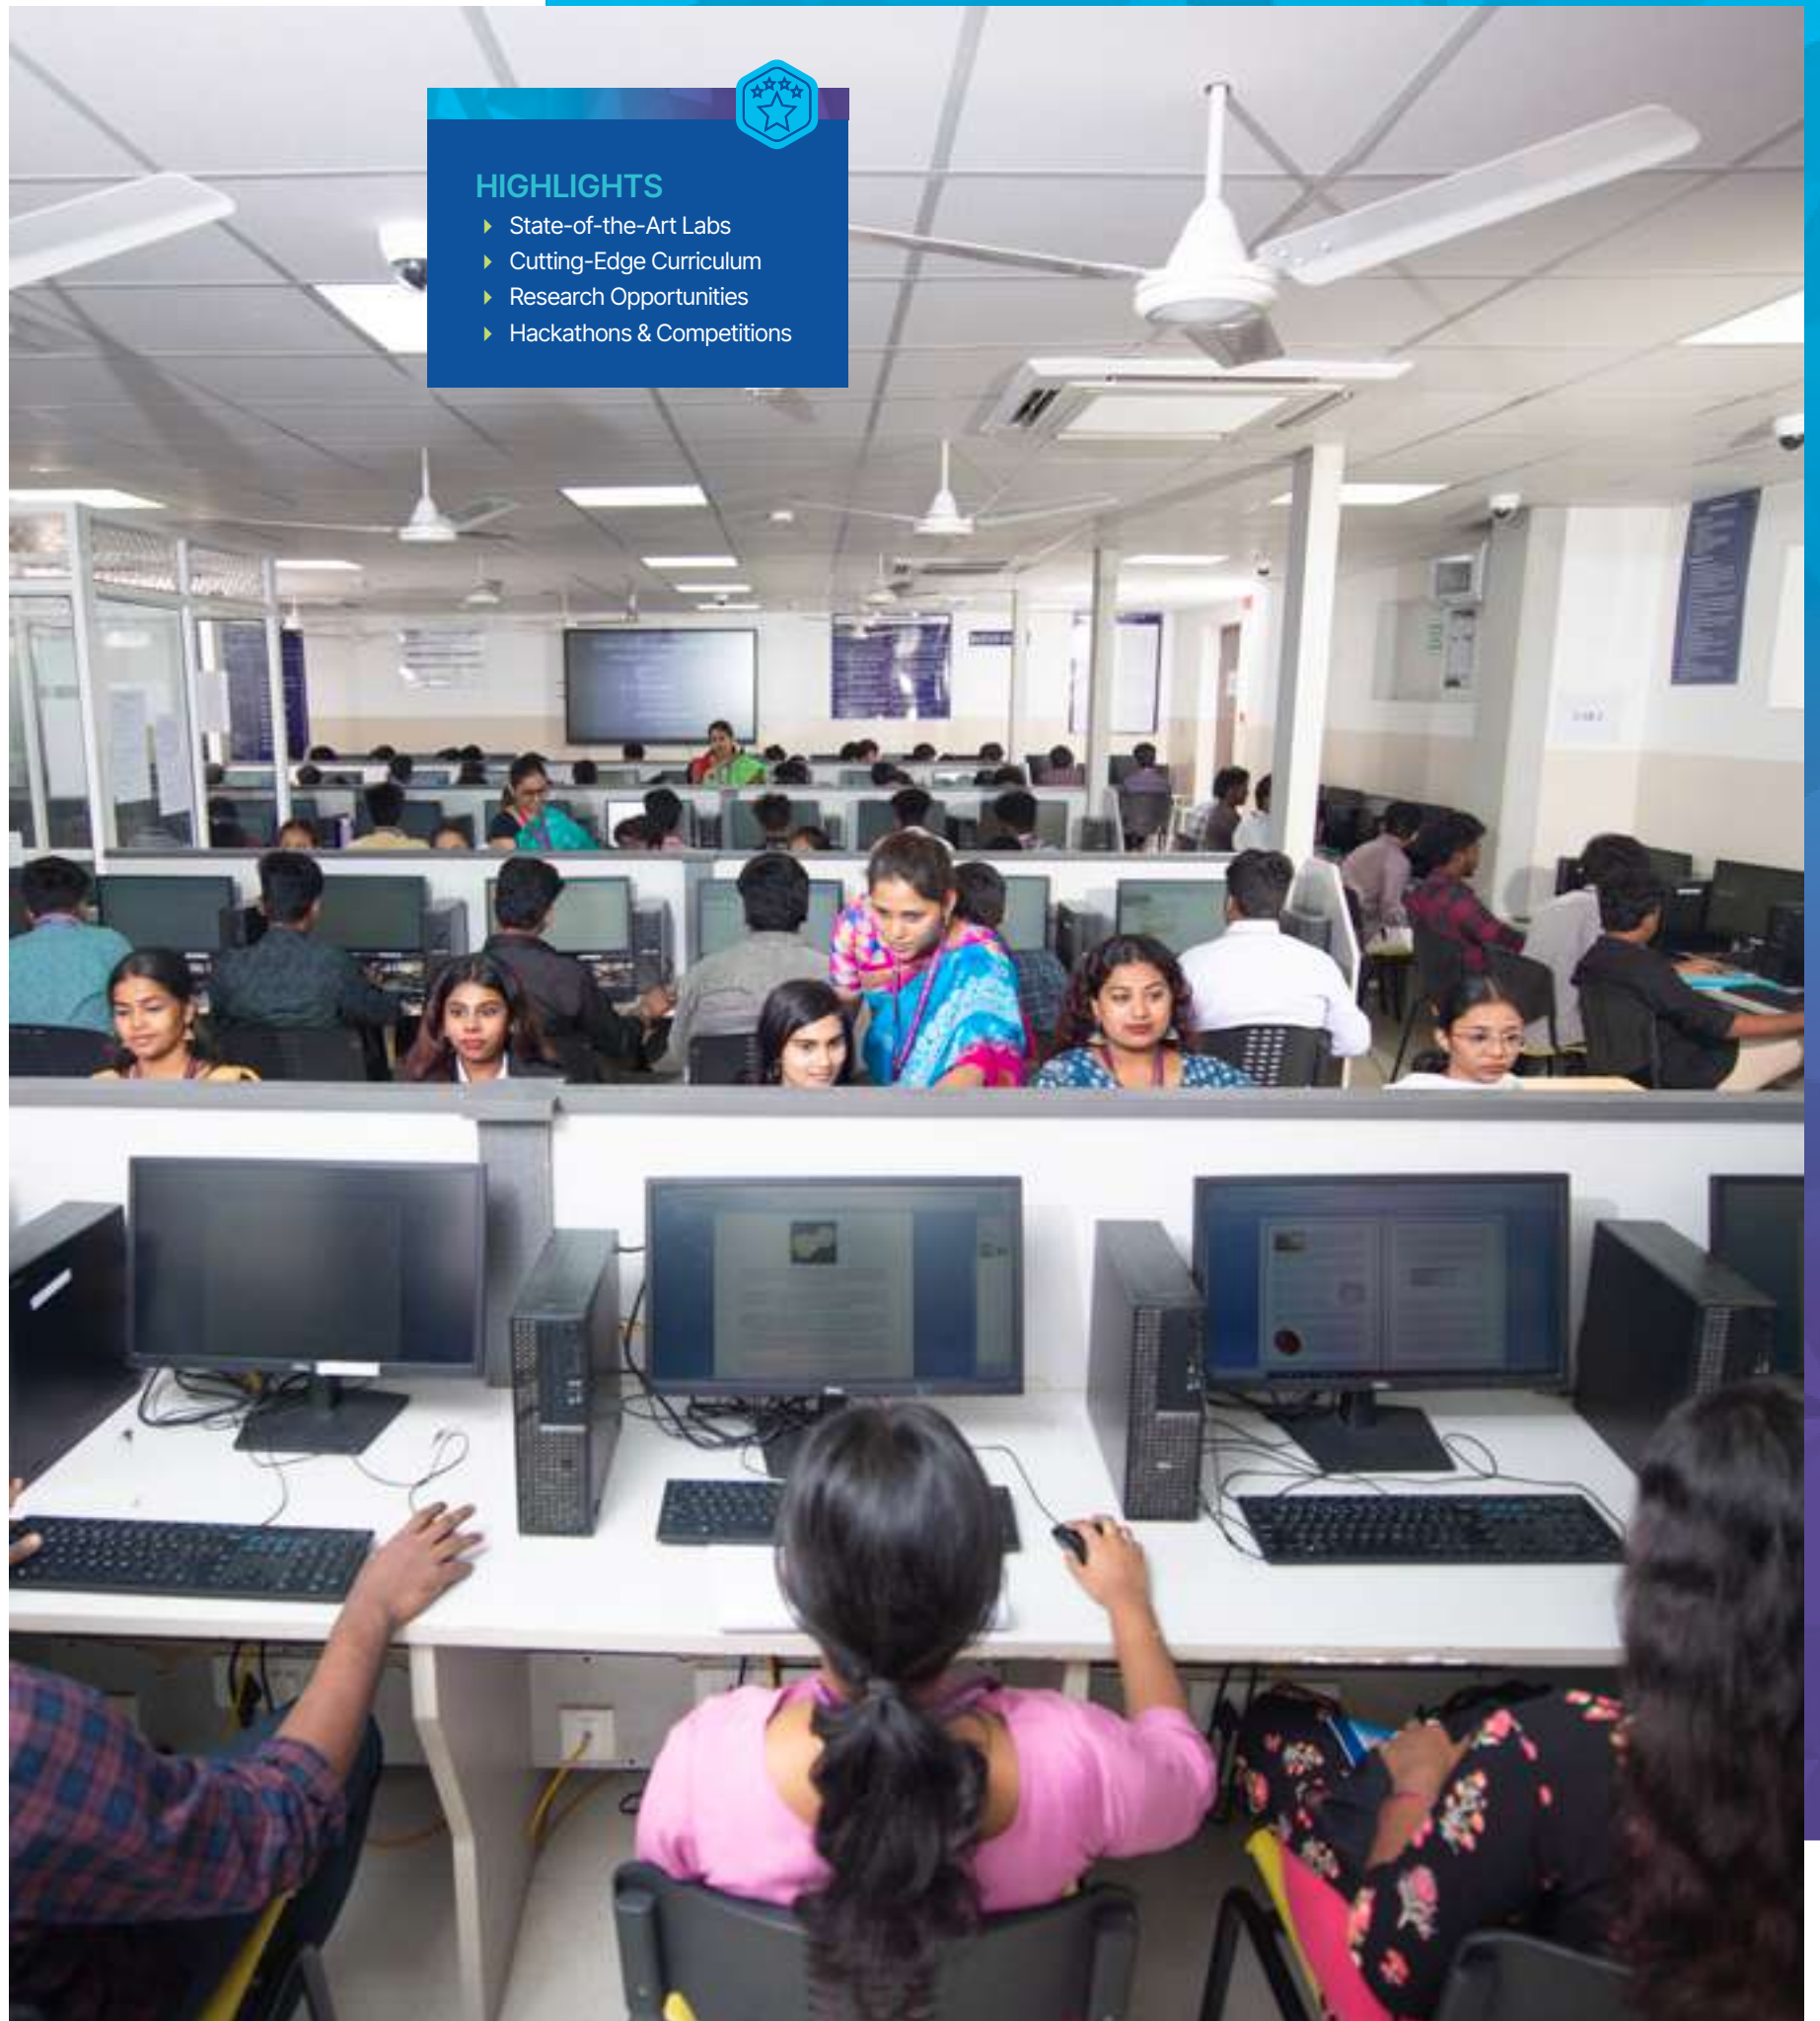

- ▶ **Ph.D. Full Time & Part Time**

SALIENT FEATURES

- ▶ Placement Opportunities
- ▶ International Internships
- ▶ Industry Collaboration
- ▶ Employability Training
- ▶ University Ranks
- ▶ Outcome-Based Learning
- ▶ Industry-Updated Curriculum
- ▶ Centre of Excellence
- ▶ Industry Mentoring
- ▶ Global University Tie-ups
- ▶ Active Student Clubs
- ▶ Expert Faculty & Smart Classrooms

HIGHLIGHTS

- ▶ State-of-the-Art Labs
- ▶ Cutting-Edge Curriculum
- ▶ Research Opportunities
- ▶ Hackathons & Competitions

Department of Commerce

The Department of Commerce, established in 2014, has experienced remarkable growth over the past decade, now accommodating more than 3,000 students. With a vision to nurture future-ready professionals, the department offers a blend of academic rigor and practical exposure. Its dynamic curriculum, developed in collaboration with academic and industry experts, empowers students to acquire new skills and explore a wide range of perspectives. The department is known for its emphasis on innovation, research, and industry engagement, providing students with opportunities to participate in workshops, internships, and entrepreneurial activities.
