Guest 2: joined online

Mr. Devendra Ranawat, Manager, Learnet Skills Ltd, GEET Infosys – Lead, Noida.

SUMMARY OF THE EVENT:

The Department of Fashion Designing, SRM Institute of Science and Technology, Ramapuram Campus, successfully signed a Memorandum of Understanding (MoU) with Learnet Skills Limited, Delhi, marking a significant step towards strengthening academia–industry collaboration.

The ceremony commenced with a prayer song followed by a warm welcome address delivered by Dr. V. Bhanu Rekha, Head of the Department, who extended her greetings to all dignitaries and representatives from the partnering organization.

This was followed by the felicitation address by Dr. S. Thirumagan, Dean (Faculty of Science and Humanities), who presented an overview of SRM IST, Ramapuram Campus, highlighting the institution's vision, academic excellence, research initiatives and key achievements. A presentation video showcasing the Department of Fashion Designing was also played, providing insights into its academic and creative strengths.

Representing Learnet Skills Limited, Mr. Devendra Ranawat, Manager and GEET (Infosys) Lead, Noida, along with Dr. G. Somasundaram, Project Lead, Bangalore, presented the company profile. They outlined the organization's role in enhancing graduate employability through industry-oriented training and collaborative initiatives.

The MoU aims to facilitate a wide range of academic and professional development activities. These include sponsored placement training supported by Infosys Foundation (GEET programme), internships, placement opportunities, skill development programs and technical collaborations for both students and faculty across Science & Humanities and Engineering streams.

The event was presided over by Dr. R. Shivakumar, Chairman, SRM Group of Institutions, who delivered the presidential address. He emphasized the importance of such collaborations in enhancing student employability and faculty development. He highlighted that initiatives like this MoU play a crucial role in bridging the gap between academia and industry, thereby preparing students to meet real-world challenges.

The ceremony concluded with the formal signing and exchange of the MoU, symbolizing a shared commitment to fostering skill development, innovation and industry readiness among students.

SUSTAINABLE DEVELOPMENT AND GROWTH MAPPING

The program strongly aligned with the following **Sustainable Development Goals (SDGs)**:

SDG 4: Quality Education

- Enhances industry-relevant education and skill development through GEET (Infosys-supported) training programs.
- Provides practical exposure via internships, placement training and real-world learning opportunities.
- Supports faculty upskilling and improved curriculum delivery, strengthening overall teaching–learning quality.

SDG 17: Partnerships for the Goals

- Strengthens academia–industry collaboration between SRM IST and Learnet Skills Limited.
- Enables resource sharing and joint training initiatives involving industry and supporting organizations.
- Promotes sustainable partnerships for student development, innovation and employability enhancement.
